Implementation Options
Commission's Role and Statutory
AB 264: The Nevada Indian
The commission shall make and report from time to time its findings and recommendations to the legislature, to the governor and to the public and shall so report at least biennially.

The commission shall recommend necessary or appropriate action, policy and legislation or revision of legislation and administrative agencies pertaining to such Indians. The purpose of the commission shall be to study matters affecting the social, and economic welfare of American Indians residing in Nevada, including, but not limited to, matters and problems relating to Indian affairs and to federal and state control, responsibility, policy and operation affecting such Indians.
